Dear Ed,

Thank you very much for your kind letter of May 1st.

I really appreciate your support and the nice thoughts. I intend to take you up on your offer to keep in touch. I will be over in a day or so to chat with you about a variety of subjects, including how to make U.S. verification capabilities even stronger than they are today.

If there is anything I can do to help you, please call. Thanks again.

Sincerely,

STAT
